# What our FRM candidates say...

I had an amazing experience with FinLearning team, under the guidance of whom, I had cleared FRM Exam part 1 in May 2015 and FRM Exam Part 2 in Nov. 2015 in first attempt. I strongly believe that this was possible only with the support from the FinLearning team. I really appreciate the amount of effort Gurmeet sir puts in his teaching and his availability specially during last days. During both the parts I had my business travels and Gurmeet sir had to put in extra effort to help me cover syllabus. I have had experience with both classroom and online classes and I strongly recommend FinLearning for FRM preparation. Thank you  
**Karan Punj, BlackRock**

Thanks to Gurmeet Sir's guidance and constant support, I cleared my FRM Exam Part 1 and Part 2 together in Nov. 2015. He was always available for any doubt or query that I faced. Have troubled him not only for concepts, practice questions but even for one single statement from the book, to which he patiently answered. Luckily, I joined FinLearning otherwise such support was not possible elsewhere. Thank you FinLearning!!  
**Shruti Upadhyay**

For a working professional like me, the biggest challenge was consistency. At FinLearning, I literally received round the clock support which helped me keep my preparations going in the right earnest. For the faculty, I believe their passion for finance and analytics is commendable and I am thankful to them for helping me clear the last hurdle i.e. FRM Exam Part 2. Time to cheers...  
**Nikhil Chandi, ICICI Bank**

FinLearning not only made my journey to clear FRM Exam Part 1 in 1st attempt possible but also made the experience fun filled. The classes were highly interactive and the methodology adopted to complete the course was commendable. Thank you :)
